E-mail or write a letter to the missionary or one of their children. Fun if your age. What is school like, sports, etc. Ask the missionary about their life and work on the mission field.

Check the missionary letters in the hall. Many missionaries keep us up to date on their work. Their contact information is available there.

Give a copy of your e-mail or letter to your CYCF Coach

Write a one page report on what you learned about the missionary and what their country and life is like to your Coach.

Upon completion, Cascades Camp will be sent \$100 for your summer camp fees.
